SILVER STREAM HEALTHCARE GROUP NEWSLETTER

Dear Friend,

It is time again for us to compile the next issue of The Stream, Silver Stream Healthcare Group's newsletter.

We invite you to make a contribution to this issue of the newsletter and would be delighted to hear your stories about events and activities that you enjoyed in the home, stories from your past or about special events in your life or see your poetry, artwork, recipes & photos.

To date we have had some fantastic stories & articles written by our residents and hope that this issue will have even more!

The newsletter relies on everyone to submit their news so please take a moment to send along your information. Sending your information couldn't be easier, just hand to a member of staff, or send by fax, email or post. All your information can be submitted in handwritten form. If you need any help putting your article together or writing it, I am always available to help, my contact details are overleaf.

The newsletter is open to everyone and we also welcome submissions from family & friends.

We look forward to hearing from you!

Yours faithfully,

Kevina Daly
